

STAR Kids Member Rights and Responsibilities

MEMBER RIGHTS

1. You have the right to respect, dignity, privacy, confidentiality, and nondiscrimination. That includes the right to:
 - a. Be treated fairly and with respect.
 - b. Know that your medical records and discussions with your providers will be kept private and confidential.
2. You have the right to a reasonable opportunity to choose a health care plan and primary care provider. This is the doctor or health care provider you will see most of the time and who will coordinate your care. You have the right to change to another provider in a reasonably easy manner. That includes the right to:
 - a. Be told how to choose and change your health plan and your primary care provider.
 - b. Choose any health plan you want that is available in your area and choose your primary care provider from that plan.
 - c. Change your primary care provider.
 - d. Change your health plan without penalty.
 - e. Be told how to change your health plan or primary care provider.
3. You have the right to ask questions and get answers about anything you do not understand. That includes the right to:
 - a. Have your provider explain your health care needs to you and talk to you about the different ways your health care problems can be treated.
 - b. Be told why care or services were denied and not given.
4. You have the right to agree to or refuse treatment and actively participate in treatment decisions. That includes the right to:
 - a. Work as part of a team with your provider in deciding what health care is best for you.
 - b. Say yes or no to the care recommended by your provider.
5. If your MCO offers in-lieu-of services and settings, you have the right to:
 - a. Be given information about the in-lieu-of services and settings you can get and how to request them.
 - b. Be told why any in-lieu-of services and settings were reduced or denied.
 - c. Choose to refuse to receive in-lieu-of services and settings instead of other covered services.

6. You have the right to use each complaint and appeal process available through the Managed Care Organization and through Medicaid; and get a timely response to complaints, appeals, External Medical Reviews and State Fair Hearings. That includes the right to:
 - a. Make a complaint to your health plan or to the state Medicaid program about your health care, your provider, or your health plan.
 - b. Get a timely answer to your complaint.
 - c. Use the plan's appeal process and be told how to use it.
 - d. Ask for an External Medical Review and State Fair Hearing from the state Medicaid program and get information about how that process works.
 - e. Ask for a State Fair Hearing without an External Medical Review from the state Medicaid program and get information about how that process works.
 - f. Request an appeal if there is a denial, partial denial, reduction, suspension or termination for in-lieu-of services and settings (ILOS) in whole or in part.
7. You have the right to timely access to care that does not have any communication or physical access barriers. That includes the right to:
 - a. Have phone access to a medical professional 24 hours a day, 7 days a week to get any emergency or urgent care you need.
 - b. Get medical care in a timely manner.
 - c. Be able to get in and out of a health care provider's office. This includes barrier free access for people with disabilities or other conditions that limit mobility, in accordance with the Americans with Disabilities Act.
 - d. Have interpreters, if needed, during appointments with your providers and when talking to your health plan. Interpreters include people who can speak in your native language, help someone with a disability, or help you understand the information.
 - e. Be given information you can understand about your health plan rules, including the health care services you can get and how to get them.
8. You have the right to not be restrained or secluded when it is for someone else's convenience, is meant to force you to do something you do not want to do, or is to punish you.
9. You have a right to know that doctors, hospitals, and others who care for your child can advise you about your child's health status, medical care, and treatment. Your health plan cannot prevent them from giving you this information, even if the care or treatment is not a covered service.
10. You have a right to know that you are not responsible for paying for covered services provided to your child. Doctors, hospitals, and others cannot require you to pay copayments or any other amounts for covered services.

11. You have the right to talk to your child's doctors and other providers in private, and to have your child's medical records kept private. You have the right to look over and copy your child's medical records and to ask for changes to those records.
12. You have a right to make recommendations to your health plan's member rights and responsibilities.
